

OUR DOCTORS

Associate Professor Dr Anthony Lynham
BMed (Hons) FRACDS (OMS) FRCS Ed.

Associate Professor Lynham completed his surgical training in Maxillofacial surgery here in Queensland. A Fellowship visit to Switzerland enabled him to gain further experience in this fascinating surgical field.

Associate Professor Lynham's practice includes dento-alveolar surgery, dental implants, wisdom teeth and oro-facial pathology.

Associate Professor Lynham holds academic posts as an Associate Professor at the University of Queensland School of Medicine.

He has published widely and speaks locally at many surgical conferences.

His wife would have liked to have married someone more attractive.
