

OUR DOCTORS

Dr Terrence Tan

MBBS, FRACP, PH.D

Gastroenterologist & Hepatologist

Languages: English & Malaysian

Dr Terrence Tan is a skilled Gastroenterologist and Hepatologist with extensive experience in diagnosing, treating, and managing digestive health issues. Dr Tan first completed his Bachelor of Medicine and Bachelor of Surgery from the University of New South Wales, followed by specialised training in Gastroenterology and Hepatology in Perth. He has also been awarded a Doctorate (PhD) from the University of Queensland, where he continues to teach medical students in addition to mentoring and educating younger physicians.

Known for his compassionate and patient centred approach to care, Dr Tan specialises in a broad range of gastrointestinal issues including:

- Irritable Bowel Syndrome (IBS), Inflammatory Bowel Disease (IBD), chronic constipation, diarrhoea, bloating and gas
- Diverticulitis
- Coeliac Disease and food intolerances
- Crohn's Disease and ulcerative colitis
- Pelvic floor disorders and faecal incontinence
- GORD (Gastro-Oesophageal Reflux Disease and heartburn)
- Colon cancer prevention, detection and surveillance
- Hepatology
- Functional gut disorders
- Alcohol-related and autoimmune liver diseases
- Metabolic liver diseases
- Fatty liver disease and haemochromatosis
- Autoimmune hepatitis
- other gastrointestinal issues.

Dr Tan is one of our lead Open Access Gastroenterologists, offering priority expert care to pre-qualified patients to investigate their digestive issues promptly. He is available for consultations and procedures at Samford Road Day Hospital and Westside Private Hospital.
